

MULTIDRILL, PU 35 BAR, AIR PRESSURE HOSE

1425-8X

Product group	140
Inner tube	Durable and oil resistant PU
Cover	Durable and oil resistant PU
Temperature min. °C	-50
Temperature max. °C	+100
Media	Air pressure
Reinforcement	Syntetic textile
Safety factor	1:5
Applications and characteristics	Air pressure hose for construction work where low pressure is required. The hose tolerates a high amount of external abraision due to the construction of the cover in PU. The hose can be stored laying flat. The hose is costumized new demands for work pressure in todays market and can now be used om 35 BAR compressors.
Design	Lay-flat, smooth, orange
